EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. Treanor on 10/09/2007.

The application has been amended as follows:

On line 3 of claim 1 "by metathesis" has been removed.

At the end of claim 1, ---to convert compound B to compound A by metathesis--- has been inserted.

The following is an examiner's statement of reasons for allowance: the prior art of record does not discloses or render obvious a process as called for in claim 1 by converting a compound (B) to compound (A) by metathesis in the presence of a catalyst comprising carbides of oxycarbides of a transition element.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
